

The Mark of The Beast

Part 5

COVID-19

Now **this Mark** was from ancient times 'offering protection' to its users:

mfa.gov.il

“...Professor Gershom Scholem, the noted scholar of the Kabbalah (Jewish mystic writings) studied **the protective function** of the hexagram and its entry into Judaism **from Islamic traditions...**”

Actually Professor Gershom Scholem either didn't look deeply enough, or else did not want to broadcast this symbol's much earlier entrance into Israel:

Herod The Great

Nothing now remains to refer to on the coin but the star, and this is certainly a remarkable object. Cavedoni suggests that, like the censer, it also refers to the victory over Jerusalem; but there is just the possibility remaining that it has some connexion either with the prophecy as to the arising of a star in the East, or to the expectation of some wonderful astronomical phenomenon, or merely to an assumption by Herod, in ridicule of the position of Him whose birth was to be foreshadowed by the appearance of a star. It may be equivalent to the announcement by Herod of his rulership or messiahship of Israel, a profane sneer at Jewish expectations, or the prophecy which the Jews believed. It is certainly interesting to find a large single noticeable star upon a coin of Herod.

This symbol was added by Muslims to Jerusalem's walls after they conquered it:

Dung Gate, Jerusalem

New Gate, Jerusalem

mfa.gov.il

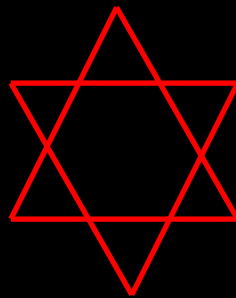

“It was Sultan Suleiman's messianic consciousness which led him to develop the link between himself and King Solomon. On the walls which be built around Jerusalem are stone decorations in the form of two interlocking triangles Stars of David, known to Moslems as *Khatam Suleiman* and to Jews as *Khatam Shlomo* (King Solomon's Seal) whose function was to protect the city. ”

And just like a city could appropriate it for protection, so Jewish Kabbalists guarded the doors to *their homes*.

Thus we can see that **this Mark** became a replacement for the blood of the Passover lamb:

mfa.gov.il

“The hexagram or the pentagram, appear first on "magic" *mezuzot* (**doorpost scrolls**) and later on various talismans in literature.”

Likewise, *people* thought to protect themselves
with **this Mark**:

mfa.gov.il

“The magic drawings of the hexagram and the pentagram were known as **seals**, in keeping with the idea that a person “**stamps himself**” with these signs in order **to protect himself** from harmful spirits.”

When dealing with occult practices based on deception, do you think these things perform their intended function...or the opposite?

Considering Jerusalem's history, how well has this 'protective' **Mark** worked?

What about for the Jews in World War II, who wore it on their chests and arms?

Several Star of David armbands, used to identify and demean Jews, were on eBay for up to £165

Inside Germany: All Jews Must Wear Big Yellow Star; Beaten States Gone Forever

BERLIN, Sept. 6 (UP)—All Jews over six years of age were ordered by the Secret Police today to wear a large yellow "Star of David" with a black superscription: "Jew."

The order, issued by Secret Police Chief Reinhard Heydrich, said Jews would not be permitted to leave the area in which they reside without police permission.

Jews must not wear any orders or decorations, Heydrich said.

The order becomes effective on September 15. As published in the official legal gazette it covers the entire Reich as well as the protectorate of Bohemia and Moravia.

BERLIN, Sept. 6. (AP)—Dr. Hans Keller, president of the Academy for the Rights of Peoples, in an article distributed by the German High Command today, blasted away any hopes that "Germany after defeating her opponents" will "resurrect all those states which the storm of war has swept away."

The new order in Europe can only be a German order, he said.

Dr. Keller said Germany does not deny in principle the right of a people to its own state, but he argued:

"The essence of a state is might. Either one has might, or one hasn't. In the latter case it is

He feels that any positive steps that can be done to encourage vaccines, should be taken.

"You'll find once it takes off, and it will take off, that people will just look for it and see it and you will just be a part of the All Vax which is a great team to belong to.

"This could well be the logo signifying that you're part of the mighty All Vax team.

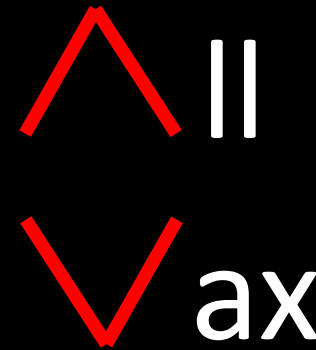

"I was waiting for someone to do it, and so well done to Claire and Brian Rogers for getting it done, because people do want to play their role and send a positive message out.

"We will all have to learn how to live with Covid, and we can, and when we look back on it and it will be just like all the other medical challenges that we've had.

"We have amazing science behind it, fighting at the front line for us. So I trust in science and I trust in our leadership.

"When you're in a war, and we are, you have to be able to recognise the leaders and support them. That's what I'm doing and it's all we can do."

"...you will just be a part of the **All Vax** which is a great team to belong to...part of the mighty **All Vax** team."

Do you see any similarities to current events?

“Nazis to banish Jews failing to wear star”

And for those who acquiesced to the Mark,
what happened next?

Protection? Or Destruction?

Is it wise to appeal to demons for protection from demons?

mfa.gov.il

“...This term is connected to the legend of King Solomon who **controlled the demons** by means of a special signet ring on which was engraved the Tettragrammaton.

The seal only had power for one thing to **provide protection** from malevolent forces...”

Here is true wisdom:

“Therefore, every one who doth **hear of me these words, and doth do them**, I will liken him to a wise man who built his house upon the rock; and the rain did descend, and the streams came, and the winds blew, and they beat on that house, and it fell not, for it had been founded on the rock.”

Mat 7:24-25

Wisdom that is not acted on, is useless to its hearer.

Wisdom demands commensurate action.

So let's talk about NOW.

Let's talk about COVID.

Human beings are a lot like houses, or towns.

They are designed by God with normal entry and exit points, like doors and gates.

John Bunyan, taking advantage of this similarity in his allegory, *The Holy War*, describes several of these 'gates' for the town of "Man-Soul":

Ear Gate

Eye Gate

Mouth Gate

Nose Gate

Feel Gate

He also describes how the enemy launches assaults on 'towns' by attacking their walls and gates.

Jesus used the same picture when describing a sheep-fold, saying:

“Verily, verily, I say to you, he who is **not entering through the door** to the fold of the sheep, but is going up from another side, **that one is a thief and a robber**; and he who is entering through the door is shepherd of the sheep.”

Joh 10:1-2

“The thief doth not come, except that he may steal, and kill, and destroy; I came that they may have life, and may have it abundantly.”

Joh 10:10

The wise person heeds Jesus' warning,
recognizing its wisdom and relevance to all life.

How is this related to COVID?

Hypodermic needles are 'scientifically designed' to penetrate through a person's God-designed 'walls,' bypassing the guards, to deliver a cargo inside the person.

Most people instinctively recoil from injections, rightly associating them with other evils like snake bites, scorpion stings, and the like.

Consequently, scientists are inventing other ways to deliver these cargos, but regardless of the technology, the intent is to bypass God's guard systems.

This is true not just for the mechanism, but also for its cargo.

The contents of these 'vaccines' are 'scientifically designed' to deceive and penetrate the body's immune system intact for maximum effect.

The promise is one of 'Protection'.

Is the promise valid, when it bypasses the gates?

What does history teach?

What did Jesus say?

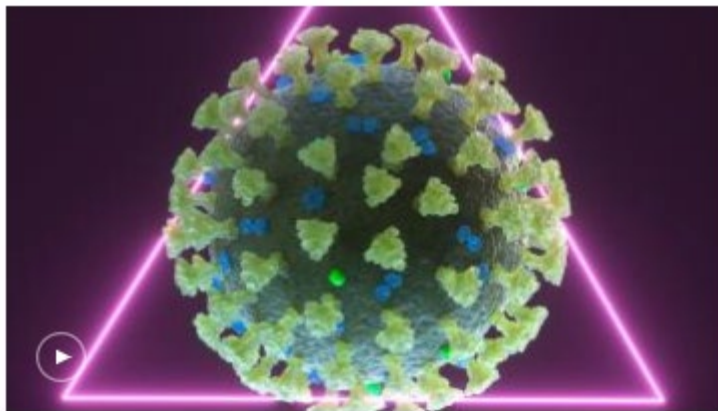

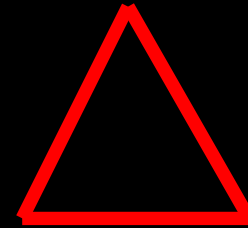

Jesus said clearly that all who do not come in through the gate, are intent on “killing, stealing, and destroying.”

Is Jesus a liar?

This 'pandemic' '*coincidentally*' carries all the 'marks' of the symbols already described.

Is this an 'accident'?

In laboratory experiments, they found that three mutations, RSYLTPGD246-253N, 260 L452Q and F490S, help it resist neutralising antibodies.

Two additional mutations, T76I and L452Q, help make Lambda highly infectious, they found.

In a paper posted on Wednesday on [bioRxiv](#) ahead of peer review, the researchers with Lambda being labeled a “variant of interest” (VOI) by the World Health Organization. “If, rather than a ‘variant of concern’ (VOC), people might not realise it’s a potential threat,”

The book of Revelation talks about the whole world being led astray and made drunk by Babylon's 'sorceries' at the end:

“...and light of a lamp may not shine at all in thee any more; and voice of bridegroom and of bride may not be heard at all in thee any more; because thy merchants were the great ones of the earth, because in thy **sorceries (G5331)** were **all the nations led astray...**”

Rev 18:23

“...because of the **wine** of the wrath of her whoredom have **all the nations drunk**, and the kings of the earth with her did commit whoredom, and merchants of the earth from the power of her revel were made rich.”

Q: How does one build a Mark?

A: One stroke at a time.

First you get all the bits together:

Then you start assembling the bits one
piece at a time:

Some wisdom from the past:

It is always a temptation to an armed and agile nation
To call upon a neighbour and to say: --
"We invaded you last night--we are quite prepared to fight,
Unless you pay us cash to go away."

And that is called asking for Dane-geld,
And the people who ask it explain
That you've only to pay 'em the Dane-geld
And then you'll get rid of the Dane!

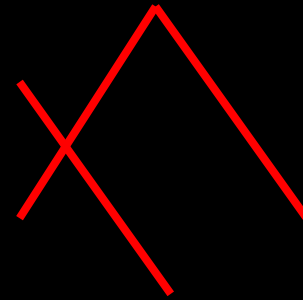

It is always a temptation for a rich and lazy nation,
To puff and look important and to say: --
"Though we know we should defeat you, we have not the time to meet you.
We will therefore pay you cash to go away."

And that is called paying the Dane-geld;
But we've proved it again and again,
That if once you have paid him the Dane-geld
You never get rid of the Dane.

It is wrong to put temptation in the path of any nation,
For fear they should succumb and go astray;
So when you are requested to pay up or be molested,
You will find it better policy to say: --

"We never pay any-one Dane-geld,
No matter how trifling the cost;
For the end of that game is oppression and shame,
And the nation that pays it is lost!"

Dane-geld today looks like this:

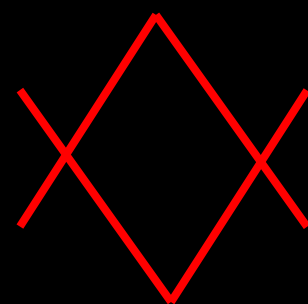

Having two doses of the Pfizer-BioNTech COVID-19 vaccine might soon not count as being 'fully vaccinated', says the Ministry of Health.

But there are promising signs the third shot gives long-lasting protection that's even stronger than the first two combined. Data from Israel, which was the first nation to roll out the Pfizer vaccine, suggests it gives longer-lasting protection than the first two as well.

Israel's Covid chief calls for fourth vaccine dose

Israel should begin preparations for administering fourth coronavirus vaccinations, the nation's Chief Covid-19 Officer Salman Zarka has said

Israel, which has mainly used the Pfizer Inc.-BioNTech SE vaccine, has so far inoculated about 2.8 million people with a third dose after beginning a drive to administer booster shots in August. Health officials have said the effects of the initial Covid-19 shots weaken five months after inoculation, making boosters necessary.

Where will it all end?

It bears repeating:

“There is a way—right before a man, And its latter end are **ways of death.**”

Pro 14:12

“There is a way right before a man, And its latter end—**ways of death.**”

Pro 16:25

“Go ye in through the strait gate, because wide is the gate, and broad the way that is leading to the destruction, and many are those going in through it; how strait is the gate, and compressed the way that is leading to the life, and few are those finding it!”

Mat 7:13-14

Here's a sobering question:

What was the FIRST stroke of **the Mark**?

How many strokes have you got?

Because this 'game' has been in town for a long,
long time...
