

The Mark of The Beast

Part 1

Signs of the Times

Preface – 12 Sep 2021

This presentation was first created after a trip to Wellington, New Zealand in January of 2019 and is based around a dream I had in 2010.

With the events that have unfolded since then, I have split it into several parts showing the direct bearing on the anti-christ V X which builds on this presentation and another dream in 2016.

Transcendence

Trans + scendere

- **Trans** - Latin: Above, over, beyond
- **Scandere**/scendere - Latin: To go to the top, uphill, to climb, to ascend

“The act of rising above ordinary limitations to a superior state of existence”

Late 2010 (5982)

“I saw a man: tall,
blond, well-built,
a square jaw,
muscular form,
the image of
Aryan perfection.”

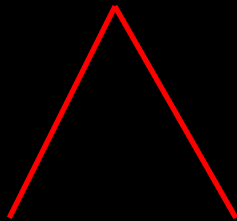

Late 2010 (5982)

“He produced a scalpel and began to engrave something on my forehead. I stopped him after a cut or two.”

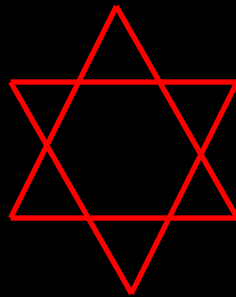

Late 2010 (5982)

“He then sat down in front of a mirror, taking the scalpel to his own forehead. I first saw an **inverted V** and immediately by the Spirit recognized the compass of **Freemasonry**. ”

Late 2010 (5982)

“He continued to craft an ornate arrangement of many symbols, but they were arranged in a pattern around one central symbol which to my shock took on the form of a **hexagram**.”

The reason this shocked me was because up until this point, I had only ever associated this symbol with the State of Israel and the Jews of WWII, assuming it to be a positive symbol.

I was wrong...

“Next I saw a massive wooden chair, and I knew it to be an ancient throne. On its seat was a crystal or prism.

“As I watched, a head materialized above the prism; in the middle of its forehead was the same symbol: a **hexagram**.

Again by the Spirit I immediately knew it to be the **Beast** of Revelation: and the **hexagram** was his **Mark**.”

“The head began to turn, looking around as if searching, surveying the room.

When it saw the ‘Aryan’ with the **Mark**, it looked like they ‘locked onto’ each other. Very intentional, very mechanical.

But I could see they were silently communicating, as it were mind to mind, as one.”

As a professing Christian, what I saw seriously frightened me.

Firstly, that I had personally allowed my own forehead to be carved *at all with* the dreaded **Mark of the Beast**.

Secondly, that a symbol commonly accepted to represent Israel was the unifying principle of the **Mark of the Beast**.

These revelations shook me to my core, and I searched myself and began to ask the living God what it meant: about me, and the world around me.

Over time, I have begun to see and understand the origin and direction of these symbols, and more importantly, the **spirit** they represent.

And over the years, I have noted the increasing prevalence of these symbols.

The elements of this **Mark** now surround us, and are becoming ubiquitous...and *yet most are oblivious to it.*

This presentation aims to:

1. Provide pictorial examples of the symbols previously mentioned,
2. demonstrate their increasing prevalence,
3. investigate their common meanings, and
4. interpret their relevance to us.

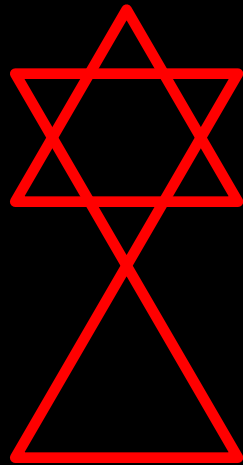

Conspiracy Theory?

I am not alleging a human conspiracy theory.

No, this conspiracy goes way back before humans even walked the planet.

These symbols are indicative of spiritual influences of which most are not aware...but should be.

Symbols of the deception

Symbols are images
which represent and
communicate ideas.

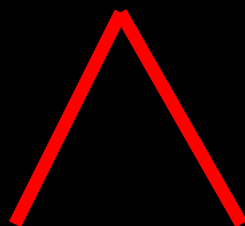

What does this symbol
mean?

These symbols are an expression of something deep inside people, at the roots of **rebellion**, which is finally poking its head above surface.

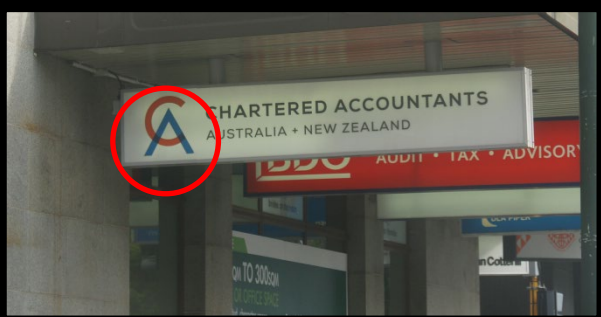

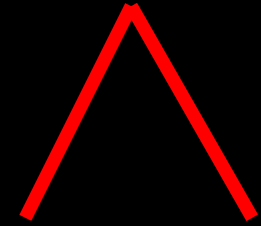

The time is 'right'...so it is 'sprouting.'

Lambda (Greek letter “L”)

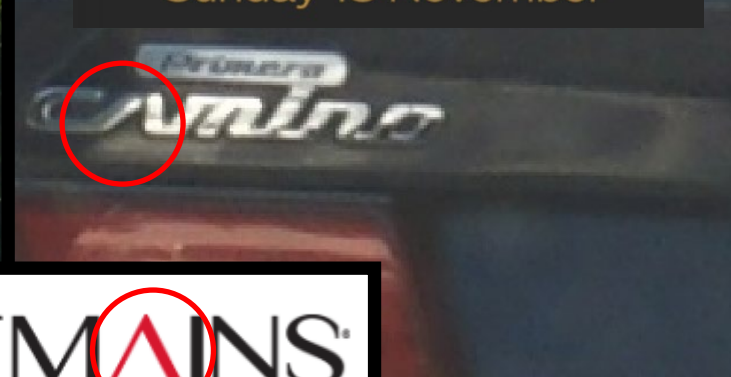

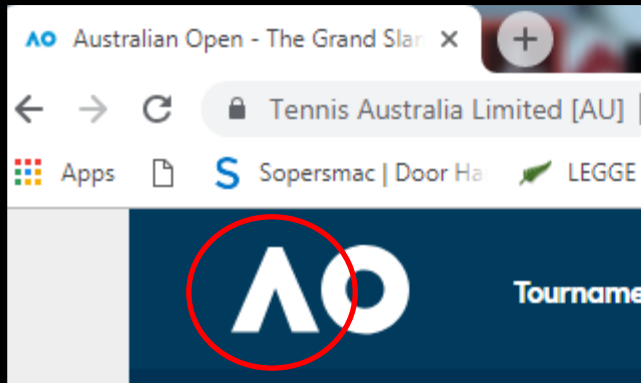

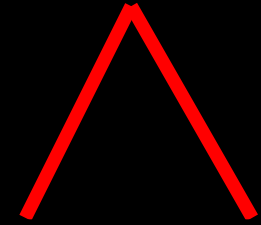

Because I was sensitised by the Spirit to this symbol first, we'll look at it first. It is called a 'chevron', and it can point up, down, and sideways:

Often used as “A” substitute:

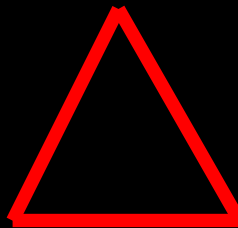

Up chevron – “A” substitute

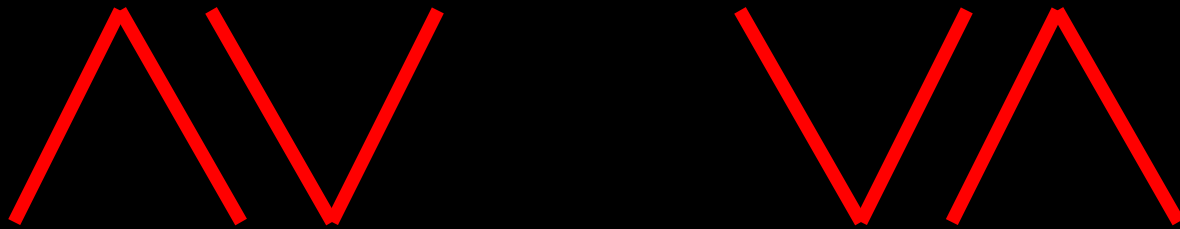

Delta (Greek letter “D”)

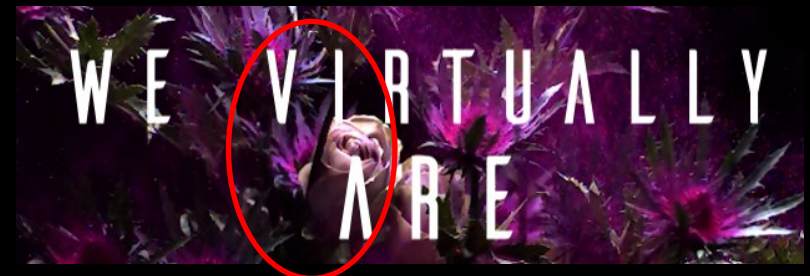

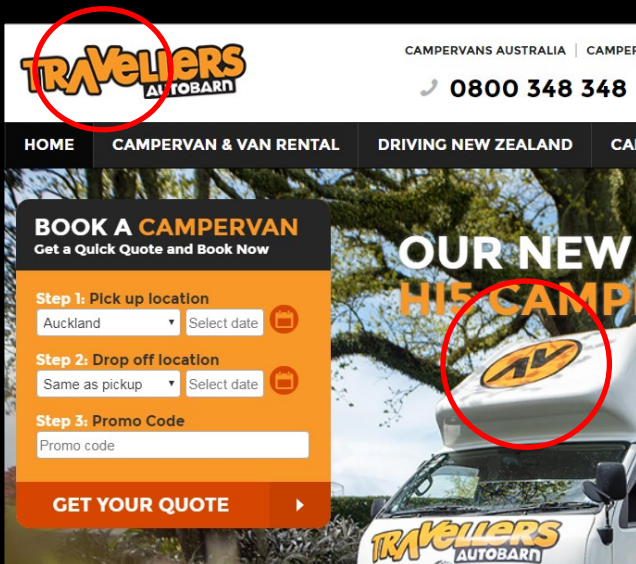

As a substitution for the capital letter “A”,
another similar and related symbol is often
seen:

The “A” substitution is often not found alone,
but specifically stylized or combined with the
“V” as pointers in opposition:

Paired chevrons:

MEDIAWORKS

It is easy to suggest that these things have always been around and I'm just noticing something because it is traumatic to myself.

But surveying just a few logos should prove the changes are real and recent:

1993

1994

2005

2015

2017

2018

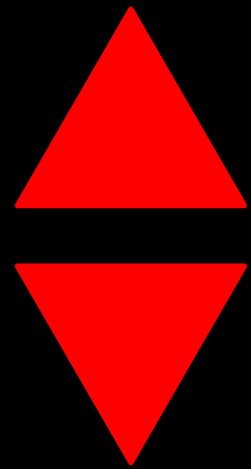

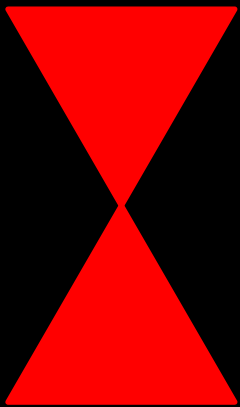

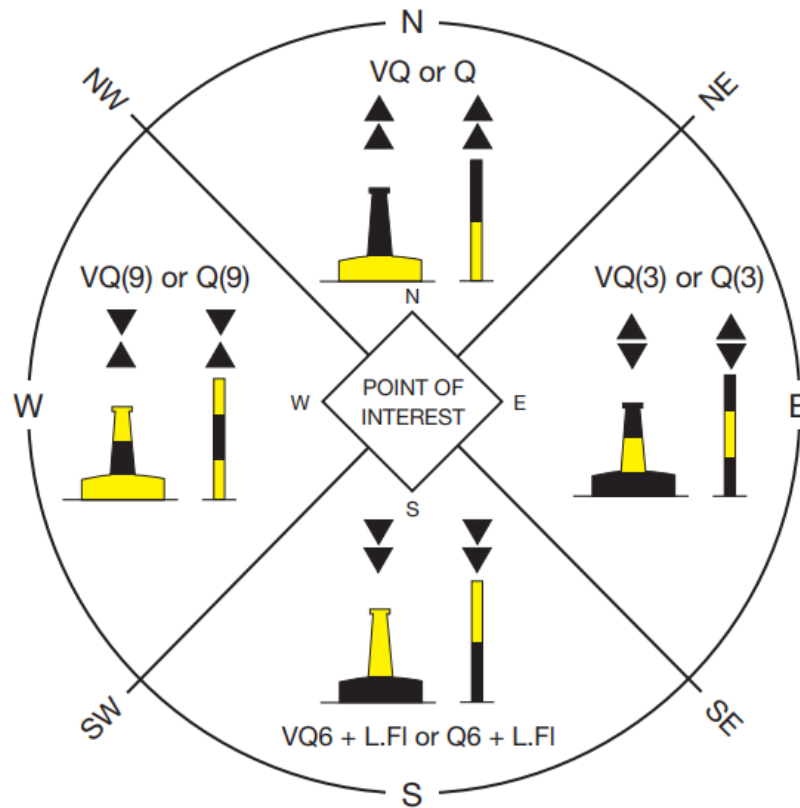

The use of these symbols is in and of itself not unique; for example, these maritime marks have been in use quite a while:

Contextually agreed meaning:

Maritime MARKS

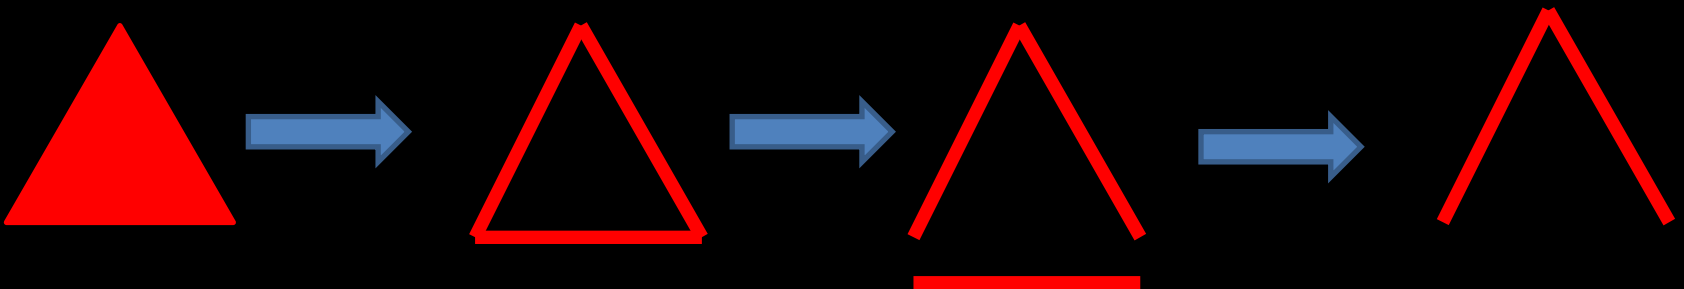

Two other marks use white lights. Each has a distinctive light rhythm that cannot be confused with the very quick or quick flashing light of the Cardinal marks. These are the **Isolated Danger Mark** and the **Safe Water Mark**.

So let's look at some symbolic meanings of these symbols:

Triangle pointing up:

- Up
- Mountain
- Male - genitalia
- Letter “A”
- Capital Greek “Lambda”
- Capital Greek “Delta”

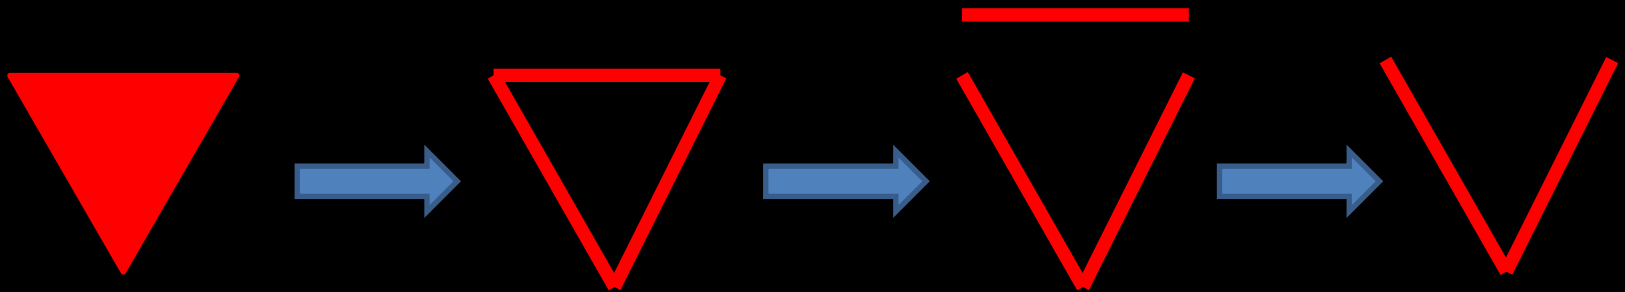

These are phallic symbols. Note the triangles incorporated in their design and adornment:

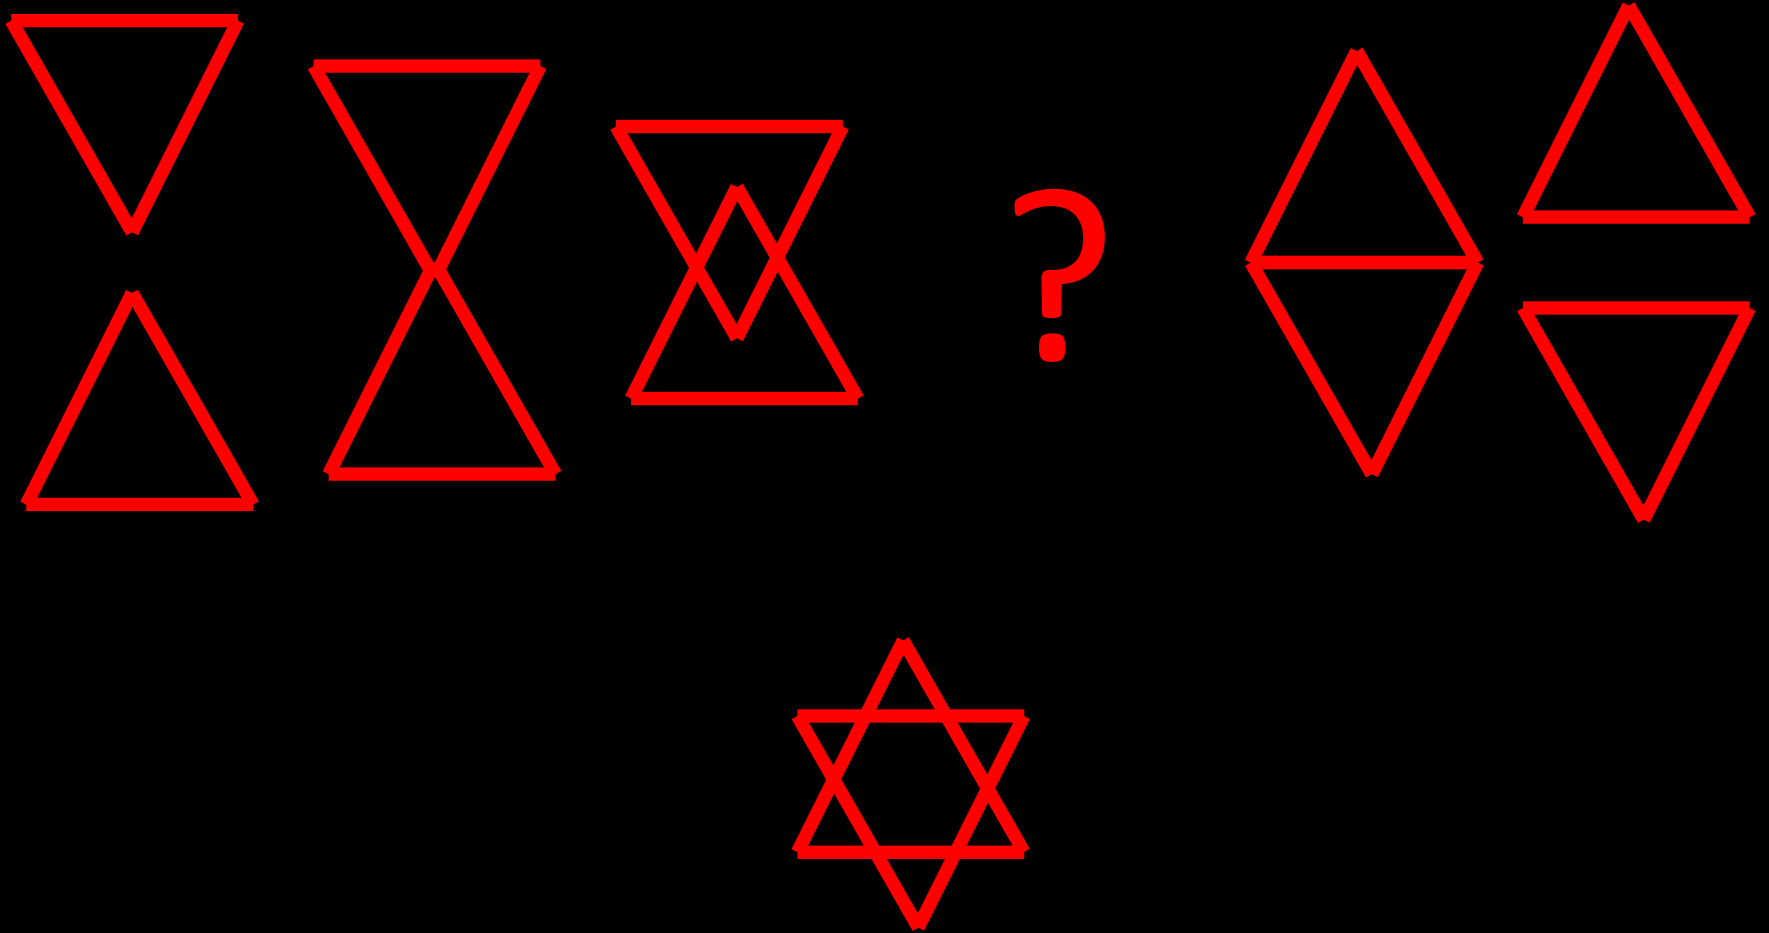

Triangle pointing down:

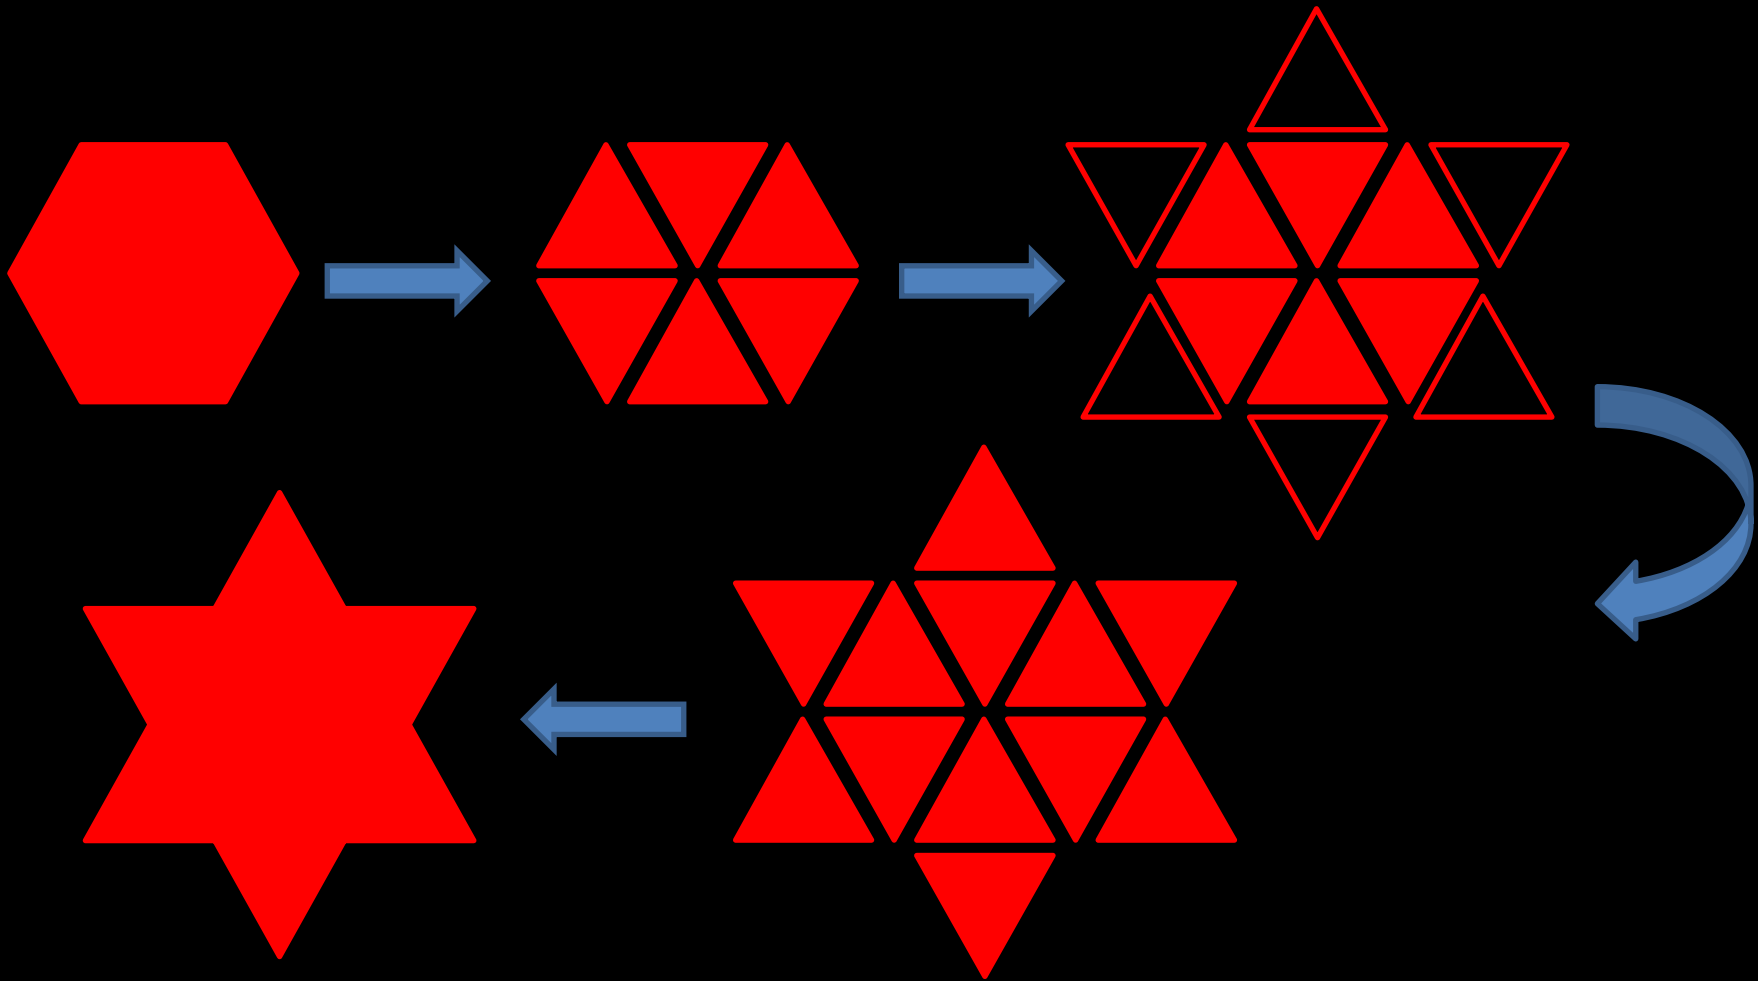

- Down
- Female - genitalia
- Letter “V”
- Letter “U”

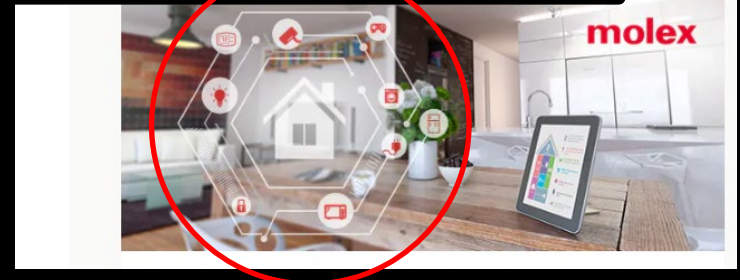

Convergence. Divergence. Emergence.

A hexagon implies a hexagram

Architecture & Home Décor:

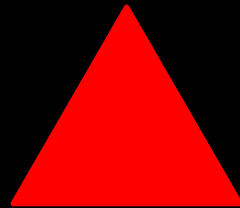

So here's what's going on.

mfa.gov.il

“...The symbol of the hexagram, the star-like figure formed by two triangles, has many connotations, especially when it is enclosed by a circle; supernatural powers have been attributed to it in **many parts of the world** since ancient times. Beyond the Jewish national associations which have only become attached to it in the last **few hundred years**, the abstract element of the figure (which is connected to the celestial stars) and its geometrical completeness make it a **universal symbol**...”

The Mount of God

There exist heavenly realities of which the visible creation is just a picture or shadow imitating the heavenly type.

Ezekiel describes a cherub assigned a place on this mountain by God Himself:

The cherub on the mountain...

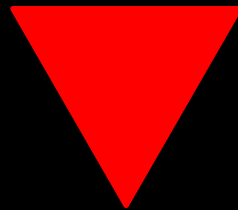

`...In Eden, the garden of God, thou hast been, Every precious stone thy covering, Ruby, topaz, and diamond, beryl, onyx, and jasper, Sapphire, emerald, and carbuncle, and gold, The workmanship of thy tabrets, and of thy pipes, In thee in the day of thy being produced, have been prepared. Thou art an anointed cherub who is covering, And I have set thee in the holy mount...

Ezekiel 28:12-19

...thrown down.

`... And thou dost sin, And I thrust thee from the mount of God, And I destroy thee, O covering cherub, From the midst of the stones of fire. High hath been thy heart, because of thy beauty, Thou hast corrupted thy wisdom because of thy brightness, On the earth I have cast thee...'

Ezekiel 28:12-19

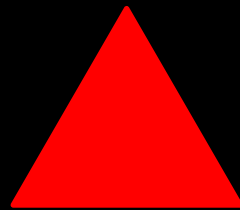

We know that this Cherub was the Adversary,
because Jesus later describes witnessing his
fall:

Satan Cast from Heaven

“And the seventy turned back with joy, saying, ‘Sir, and the demons are being subjected to us in thy name;’ and he said to them, ‘I was beholding **the Adversary**, as lightning **from the heaven** **having fallen...**’”

Luke 10:17-18

This heavenly mountain's earthly counterparts include Mount Sinai, which is itself a foreshadowing of Mount Zion where Jerusalem is located.

God's City & Hill, Mt. Zion

“A Song, a Psalm, by sons of Korah. Great is Jehovah, and praised greatly, In the **city** of our God--His **holy hill**. Beautiful for elevation, A joy of all the land, is **Mount Zion**, The sides of the north, the **city** of a great king. God in her high places is known for a **tower**.”

Psalm 48:1-3

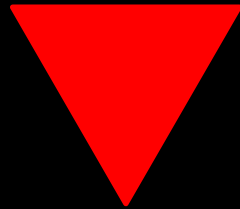

The **Adversary** has been working to regain his loss, usurping rule of earth by deceiving Eve and leading mankind in **rebellion** against God.

And so the history of mankind is the history of the **Adversary** seeking to regain his exalted place, by man as host taking him there...one way or another.

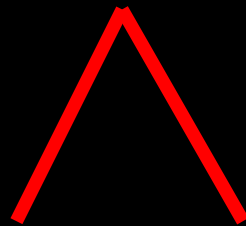

The **Adversary**'s objectives are described in Isaiah 14:12-17:

Luciferean Objectives

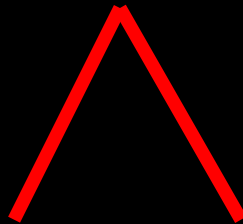

“How art thou **fallen from heaven**, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart:

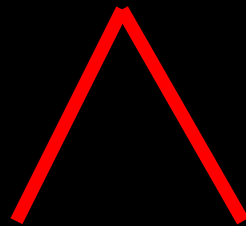

“I will ASCEND into heaven...”

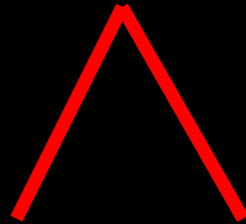

“I will exalt my throne above the stars of God...”

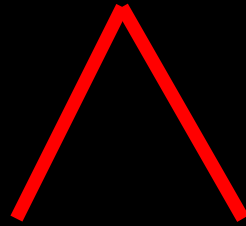

“I will sit also upon the mount of the
congregation, in the sides of the north...”

“I will ASCEND above the heights of the clouds...”

“I WILL BE LIKE THE MOST HIGH!”

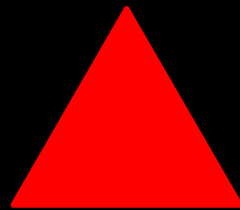

Mankind has joined in this rebellion right from the beginning, as seen in the record of the purpose of the Tower of Babel:

The Tower of Babel

“...they say, `Give help, **let us build for ourselves**
a **city** and **tower**, and its head **in the heavens**,
and make for ourselves a name, lest we be
scattered over the face of all the **earth**.”

Genesis 11:1-4

And that gets us to Part 2: Space Invaders...
